LEWIS & WALKER,

H. A. LEWIS,

PROPRIETOR

To Our Patrons.

In presenting our Price List for Fall of 1903, we wish to thank our customers for past favors and to solicit a share of their future patronage.

The stock quoted herein is well grown, in healthy condition and strictly first-class. Grades and quality guaranteed equal to the best.

Our stock is free from disease or injurious pests; and a copy of Certificate of Inspection accompanies each shipment.

All orders shall have best care and prompt attention, and we shall endeavor to fill same to your entire satisfaction.

Location and Shipping Facilities.

We are located three miles east of Portland, and one mile from Montavilla car line.

Our shipping facilities are of the best, both by rail and by boat.

Prices quoted herein are net; boxing and baling additional. No charge for packing or packing material where stock is loaded in bulk in car load lots.

These prices are for Fall of 1903 and are subject to change without notice.

Terms of Payment.

Cash, security or satisfactory reference before shipment. Orders to be sent C. O. D. must be accompanied with at least one-fourth cash.

All claims for errors must be made within six days after receipt of goods.

Packing and Shipping.

Our early fall shipping begins about October first.

Packing done in boxes and bales. We advise boxes, as stock carries in better shape and is less liable to injury from heat or cold, and freight rates are lower.

Box charges are as follows: 9 and 10 foot, 2½ foot heads, \$2.50 each. Other sizes in proportion.

No charge made for delivering goods to freight or express depot.

Customers should give their own routing instructions, otherwise we use own judgment. Our responsibility ceases when stock is delivered at depot, and all claims for damages caused from losses or delays in transit must be made on carriers.

Guarantee.

We take the greatest care in packing orders to see that each variety is true to name, and are ready to replace any stock that proves untrue or to refund the money paid for same. It is, however, understood between the purchaser and ourselves that we will not be held liable for more than the amount paid for the goods.
